

Movie Music Favourites: Eight arrangements for piano duet

By -

Universal Edition, Austria, 2017. Sheet music. Condition: New. Language: French, German, English. Brand New Book. Mike Cornick adds to his previous arrangements for piano duet this mouth-watering selection of music from the movies. Movie Music Favourites includes, in intermediate arrangements, many gems of classical music, all closely associated with famous films. For example, who can hear Strauss's Blue Danube waltz without thinking of Kubrick's film 2001: A Space Odyssey. Or the beautiful slow movement of Mozart's Piano Concerto No. 21 without Elvira Madigan coming to mind. Nowadays, Mozart's work is often called the Elvira Madigan Concerto! Music written especially for films is not ignored either; the selection includes A Time for Us, composed by Rota and others for Zeffirelli's film Romeo and Juliet. Cornick's arrangements will not stretch intermediate players, who can play as a traditional duet or individually use the accompanying CD which will provide play-along tracks for either the Primo or Secondo parts, as well as complete performances for guidance. Similar previous arrangements by Cornick include Charleston for Two, Tea for Two and Pink Panther for Two Instrumentation: for piano 4 hands.

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publishes this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50% in the pdf. I realized this pdf from my dad and I encouraged this publication to learn.
