Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Western Tibet: A Practical Dictionary of the Language and Customs of the Districts Included in the Ladak Wazarat When first appointed here, I much felt the want of such a book, and, therefore, for my own use, commenced to compile notes and a vocabulary, which have, during the several years which have since passed, expanded to such dimensions that [last year asked the Government of India to print them. Recently the Government of India has kindly consented to do so. The notes and vocabulary, which have been revised and much enlarged, are now published under the title of Western Tibet. The title Ladak would for some reasons have been preferable had it not already been appropriated by General Cunningham for an excellent book published by him in 1854. The present work was not originally intended for the Press, and it has no pretension to scholarly merit: indeed, in cases where the local idea is opposed to the correct classical view, the latter has been ignored, my object being to record only local ideas, customs, pronunciation, &c. To my successors in office, and to any Europeans who may have occasion to visit this part of the world, I hope that Western Tibet may be useful, as supplying a practical guide to the language and customs of the country.
