Austin Macauley Publishers, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Organizational leaders can use the results of this study to simultaneously improve the quality and effectiveness of the decision-making process. The findings of the quantitative study in this book indicated the increasing importance of concepts regarding ethical behavior and decision-making by leaders in a retail business workplace. The implication that leaders have the responsibility to uphold the highest standards of ethical conduct means that leaders should focus on doing the right thing when integrating ethics and decision-making together. Leaders should embrace the best practices for determining ethical decision-making when confronting unethical behavior in a retail business workplace.
