THIS BIRDING LIFE: THE BEST OF THE GUARDIAN S BIRDWATCH

[DOWNLOAD](#)

Aurum Press Ltd, United Kingdom, 2008. Paperback. Book Condition: New. 197 x 129 mm. Language: English . Brand New Book. Chatty, genuine, sincere and often quite funny. They make a less-than-dedicated birder such as myself wish he had tried a bit harder British Wildlife Full of good stuff if you want to settle down for a good read. An excellent stocking-filler Bird Watching Stephen Moss s collection of Birdwatch columns from the Guardian was nothing less than a birdwatching autobiography, covering his life from early coot-watching as a young boy, through teenage cycle trips to Dungeness, to adult travels around the world as a TV producer everywhere from the Gambia to Antarctica. In hardback it sold extremely well, thanks not least to its truly beautiful cover linocut illustration by Robert Gillmor, the doyen of bird artists whose jackets grace all the illustrious Collins New Naturalist volumes. Now it is re-published in paperback - retaining the glowing kingfisher on the front - to tie in with the publication of Stephen s new book for Aurum, a diary of his birdwatching year (to be published in the same miniature hardback format and with another Robert Gillmor jacket illustration). Moss writes regularly features for the Guardian in addition to his column, and gives regular lectures to birdwatching clubs and RSPB groups. Stephen Moss is a producer for the BBC s Natural History Unit, and most recently produced Alan Titchmarsh s The Nature of Britain. Past series include all Bill Oddie s Birding with Bill Oddie and Springwatch. His other books include A Bird in the Bush: A Social History of Birdwatching (also Aurum), Blokes and Birds and Gardening for Birds. He lives in Somerset.
