GAMES WORKSHOP, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. The Great Crusade has swept across half the galaxy, a million human worlds now embracing the truth and reason that comes with allegiance to the rule of Terra. But even such unparalleled success comes at a cost. Rumours abound that the Emperor plans to step back from the Crusade and raise one of his primarch sons to lead in his stead. Faced with the bitterly non-compliant human empire of Gardinaal and a leaderless host of Ultramarines, Thousand Sons and Emperor's Children at his Legion's command, the Iron Hands primarch Ferrus Manus decides to make an example that even the Emperor cannot ignore. * The seventh in a series of collectable hardbacks focusing on the primarchs, the key protagonists from Black Library's New York Times bestselling series, The Horus Heresy. * Each novel in the series focuses on a different primarch, uncovering the pivotal moments that will shape their actions in the Horus Heresy and beyond. * David Guymr is one of Black Library's rising stars, who has written several novels for the popular Gotrek Felix and The Beast Arises series. * Previous hardback novel in the Primarchs series: Fulgrim (ISBN.9781784966232).
