This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

BRILLIANCE AUDIO, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A poignant and relatable novel, Looking Glass Lies captures the war women wage against themselves, and the struggle to see beauty reflected in a mirror not distorted by society's unrelenting expectations. For most of her adult life, Cecily Ross has compared herself to other women--and come up short. After a painful divorce from her emotionally abusive husband, Cecily returns to her hometown of Canyon, Texas, looking to heal. But coming home isn't what she expects. In a town as small as Canyon, her pain is difficult to escape--especially with her model-perfect ex-sister-in-law working at the town's popular coffee-shop hangout. With help from her father, a support group, and an old friend who guides her to see her own strengths, Cecily may have a shot at overcoming her insecurities and learning to love again. The true test comes when tragedy strikes, opening Cecily's eyes to the harmfulness of her distorted views on beauty--and giving her the perfect opportunity to find peace at last.
