Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **English Into French: Five Thousand English Locutions, Rendered Into Idiomatic French** It would be interesting to know, if it were possible to discover, how many of the uncensused thousands of English-speaking men and women throughout the world who can read French with pleasure and with ease, can speak and write idiomatic French with fluency and correctness. The reasonable presumption is that the number is relatively small. It would be extraordinary if it were otherwise. For it is given to very few of us to live long enough in France to make of French a second language as every educated foreigner makes of France a second country, or to be able to devote to the study of French sufficient time to master the difficulties, the intricacies, and the genius of the language, with the aid of the imperfect instruments available for the purpose. Bearing in mind the fundamental fact that English-speaking people think in English, and confining attention solely to the speaking and writing by them of idiomatic French, it must be said that existing English-French dictionaries, i. e. dictionaries in which English is the first language, as opposed to French-English dictionaries, in which French comes first, are of little use. In saying this, there is not the slightest intention to derogate from the merits of those works, whatever their merits may be. All that is meant is, that if judged by their size, they are inadequate; if judged by their economy, they stand condemned. It is needless to say that this condemnation does not and cannot apply to the disposition of single words in the nomenclature. They are arranged in strictly alphabetical order, like the...
