Presses Interuniversitaires Europeennes, Belgium, 2012. Paperback. Condition: New. New edition. Language: French,English . Brand New Book. Natural resources are exploited on a daily basis to provide basic services but they are managed for different purposes. Strategic environmental governance has been one of the most successful notions in the political arena and in the academic literature in recent times. This book presents different approaches to environmental governance, aiming to understand the roles of different stakeholders at different levels, which is a key issue in the field of environment and natural resources. The book is essential reading for researchers, students and decision-makers involved in the management of natural resources at local, regional, national and international levels. Les ressources naturelles sont exploitees quotidiennement pour fournir des besoins elementaires, mais elles sont egalement gerees pour differentes finalites. La notion de gouvernance environnementale strategique a sans doute ete l une des notions ayant rencontre le plus de succes au niveau politique comme dans les milieux academiques, ces vingt dernieres annees, et un bilan s avere aujourd hui necessaire. Cet ouvrage presente differentes approches de la gouvernance environnementale, visant notamment a comprendre le role des acteurs a differentes echelles, ce qui constitue un enjeu essentiel dans le domaine de l environnement et des ressources naturelles. Cet ouvrage est destine a un large lectorat compose de scientifiques, d etudiants, mais aussi de gestionnaires de l environnement operant a toutes les echelles, du local a l international.
