

The Shadow Conspiracy II

By Maya Kaathryn Bohnhoff, Phyllis Irene Radford

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Shadow Conspiracy II revisits the shared Victorian world of transferable souls and intelligent machines. Judith Tarr's irrepressible Emma Rigby prances through a new adventure with automata. Nancy Jane Moore brings us more missions for the mysterious warrior woman, Jane Freemantle. We have new characters to play with, too. Chris Dolley brings to life a wonderful parody reminiscent of P.G. Wodehouse. Then there are the historical characters who keep popping into our works of fiction. Amy Sterling Casil introduces us to insane artist Richard Dadd and makes us redefine madness. Irene Radford visits Dr. John McLaughlin and his wife Marguerite in the Oregon Country with some questions about when no government is too much government. Pati Nagle gives us some more insight into the life of mystical Marie LeVeau. And always, Ada King, Countess of Lovelace, hovers in the background along with her father, Lord Byron. Join in the fun, the gadgets, the adventure, and the Romance of steampunk in the second volume of Shadow Conspiracy.

Reviews

It is great and fantastic. Better than ever, though I am quite late in starting to read this one. Your life period will likely be transformed once you comprehensively read this book.

-- Blanca Davis

An extremely wonderful book with lucid and perfect information. It is one of the most awesome publications I have read. Your life period will probably be enhanced the instant you start looking at this pdf.

-- Prof. Dan Windler MD
