BIOREMEDIATION OF CHLORPYRIFOS CONTAMINATED SOIL BY BBB SYSTEM

Condition: New. Publisher/Verlag: Scholar's Press | Chlorpyrifos (OP)Bio-remediation Optimization using Taguchi's DOE Methodology | Chlorpyrifos is considered as and toxic chemical and shows mutagenic, carcinogenic properties on organism. It degrades the fertility of the soil by hampering with its mutualistic beneficial micro and meso environment; it also harms the soil fertility by disturbing the soil enzymatic activity, which is considered crucial as an index of soil organic matter degradation. In case of leguminous plants the rich plant-rhizobia association, which is...

Reviews

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.

-- Dr. Rashawn Lang

This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).

-- Shaniya Torphy PhD

A new e-book with a brand new point of view. I really could comprehended everything out of this written e publication. I realized this publication from my dad and i encouraged this publication to understand.
