Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Family Quarrel: An Allegorical Study in American Origins and Principles Pericles exhorted the Athenians to contemplate the greatness of their city until they became enraptured with its fame and beauty. He pointed exultantly to those achievements in art, literature, science and philosophy which had made the Queen of the Grecian isles the teacher of the nations and the vital center of classic civilization. We do not copy our neighbors, said the ancient statesman, but are an example unto them; and we rely, not upon management nor trickery, but upon our own hearts and hands. Any similar exhortation that fosters in the hearts of Americans a deeper love for our Republic and a proper pride in its achievements should be warmly welcomed throughout the land. Nor can intelligent patriotism render a better service than to furnish a more accurate knowledge and kindle a more just appreciation of the determining factors in our national evolution. For a nation, like an individual, has a soul as well as a body. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
