Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Common Core State Standards Writing is great for home schooling! The book provides in-depth instruction and practice in the elements of good writing In Part One, students review the components of good writing in such areas as organization, beginning a composition, interesting and descriptive language, details, proper sentence and paragraph construction, and ending a composition. They then proceed through a detailed sample exercise. Students are presented with at least ten sample exercises in which they are encouraged to recognize and critique organization, relevance, elaboration, tone, purpose, and focus, as well as correct sentence construction and appropriate use of details and dialogue. They are then given a similar writing prompt in a suitable writing genre to apply these same skills of evaluation and critical thinking to their own writing. In Part Two, students are given a few additional lessons in which they are expected to read a brief composition and rewrite it, based almost exclusively on their expanded understanding of the elements of good writing as theyve practiced them and the Writers Checklist. They are then expected to answer questions related to their rewritten compositions, evaluating their own writing as they would anyone elses.
