Seven countries. One adventure with a sketchbook. Writer and sketch artist Candace Rose Rardon invites you on a serendipitous sketching journey through Southeast Asia and Japan. Beneath the Lantern's Glow includes twenty full-scene watercolor sketches and accompanying stories, as well as several resources for each country visited. Rardon's whimsical sketches are done on location and by direct observation, and charmingly capture those fleeting, layered moments that are the stepping stones of travel. The sketches are ordered chronologically, so that you might feel as if you are journeying through this fascinating corner of the world yourself: smelling apple shisha in Singapore, walking a sacred Buddhist pilgrimage on the Japanese island of Shodoshima, and standing in wonder before ancient ruins at Angkor Wat. Ultimately, the memorable encounters that unfold with each sketch will leave you open and inspired to seek connections in your own life; and when you least expect it, you too might find yourself beneath the lantern's glow.
