Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Create, Automate, Accelerate takes a controversial look at what it takes to build a business. It explores a framework called the 5 P s of Priority. Purpose, Passion, People, Place and Profit. It looks at the need to ask the right questions to get these priorities answered, and the importance of doing so in the right order. Find clarity, meaning, enjoyment and success in everything you do, starting with your business. As an entrepreneur your business defines very much who you are, so it important to make the right choices. In the first phase of the book you will find the deeper meaning for your life through your business. It helps to do so through combining philosophy, simple models and frameworks as well as real life examples. The second phase of the book gives methods to automate your business. This is essential if you want you business to provide any type of passive income, be sustainable, reduce risk if anything should happen to you, and increase any potential for an exit strategy as well as increasing the business valuation. The final phase looks at way to accelerate your business. From simple, easy to implement ways of increasing personal and team productivity, to identifying the areas of biggest leverage and fastest financial growth within your business. In short it explores and explains the phases of starting, automating and then accelerating your business growth in a very practical manner. Rather than giving a one solution fits all approach it encourages you to ask questions at each step of the journey to identify what will be most effective for you. This book is really one of a kind and has been described...
