Faith Books Publishing, United States, 2012. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.A Journal to record moments when God steps in and we see the traces of His Hand. When we truly have a heart that is hungry for God, He will move in our lives in amazing ways just to show us that He hears us, that He cares for us, and that He is with us. He will move to show us that He is God. Our part is to remember it, and to know that, He who calls us, is Faithful. One of the best ways to hold our memory stones and keep our memory firmly planted, is to WRITE IT DOWN. This helps us when we go through difficult times and walks through the valley, because we can look back at what God has already done, and remind ourselves that God does not change, He helped us then, and He will help us now. This journal features: * Lessons learned from our Face to Face With God encounters during a changing time in our lives, written by Cypress Ministries. * Personal journaling space for reader to record special moments that The Lord stepped in and showed that He was there during their walk with God.
