

## The Art of Investing: By a New York Broker

By John Ferguson Hume, Richard Stooker

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Pining for the good old days of Wall Street? (NOTE: This is a new edition of the classic work, not a scanned reproduction of an old library book.) When the New York Stock Exchange s primary purpose was to raise the capital the United States needed to finance the infrastructure of a young and growing country? When conservative investors bought stocks to buy and hold for the long haul? When brokers had the best interests of their clients at heart? When the stock exchange listed only high quality stocks for sale? When corporations did not deceive creditors by using the same property as the basis for multiple issues of bonds? When Wall Street investment bank focused on providing good service, not in coming up with new financial products -- that is, inventing ever more new and risky ways to separate ordinary investors from their money? When a man and a company s word was good, so you didn t have to study the fine print of every security before investing? When a stock s current market price was...

### Reviews

*I just began looking over this pdf. It is one of the most amazing pdf i have study. I discovered this book from my dad and i recommended this pdf to understand.*

*-- Merritt Kilback II*

*Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.*
