

Practical Immunology A Laboratory Manual

By Balakrishnan, Senthilkumar / Kaliaperumal, Karthik

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Practical Immunology: A Laboratory Manual deals with techniques involved in basic and applied immunology, which is useful for Undergraduate and Postgraduate students of medical, veterinary and life science disciplines. The intention is to provide students with an organized, user-friendly tool to enable them to understand laboratory aspects of immunology and lab quizzes. The exercises have been standardized in the laboratory and are made easy so that the students can follow the protocols independently which are self-explanatory. Every exercise contains the theoretical explanation behind the experiment and also has questions and answers relating to the experiment. The Interpretation section of each exercise is where the student records important results and conclusions that will enable them to prepare for the practical. | Format: Paperback | Language/Sprache: english | 120 pp.
