Penguin Putnam Inc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Known as the wicked witch of Russian fairy tales, Baba Yaga is not one woman, but rather a title carried by a chosen few. They keep the balance of nature and guard the borders of our world, but don't make the mistake of crossing one of them. Though she looks like a typical California surfer girl, Beka Yancy is in fact a powerful yet inexperienced witch who's struggling with her duties as a Baba Yaga. Luckily she has her faithful dragon-turned-dog for moral support, especially when faced with her biggest job yet. A mysterious toxin is driving the Selkie and Mer from their homes deep in the trenches of Monterey Bay. To investigate, Beka buys her way onto the boat of Marcus Dermott, a battle-scarred former U.S. Marine, and his ailing fisherman father. While diving for clues, Beka drives Marcus crazy with her flaky New Age ideas and dazzling blue eyes. She thinks he's rigid and cranky (and way too attractive). Meanwhile, a charming Selkie prince has plans that include Beka. Only by trusting her powers can Beka save the underwater races, pick the right man, and choose the path she'll follow for the rest of her life.
