

Creepin Through the Snow: The Creeper Diaries, An Unofficial Minecrafter s Novel, Special Edition (Hardback)

By Greyson Mann

Skyhorse Publishing, United States, 2017. Hardback. Condition: New. Amanda Brack (illustrator). Special. Language: English . Brand New Book. Sky Pony has sold over 5 million books for Minecrafters. The Creeper Diaries series combines the blockbuster appeal of Minecraft with the diary format popularized by the bestselling Diary of a Wimpy Kid and Dork Diaries series. Minecraft is an international sensation, with over 100 million registered users worldwide. This holiday-themed title is the third book in a new series for Minecrafters, following Mob School Survivor (March 2017) and Creeper s Got Talent (August 2017). With easy to read, diary-style text, over 100 black and white illustrations, and a focus on the Minecraft monster players most love to hate, The Creeper Diaries is the perfect pick for reluctant readers. The self-published hybrid Minecrafter/diary series currently on the market, Diary of a Minecraft Zombie, has sold over 300,000 copies -- and with in-store placement and a more appealing package, our series should see even greater success!.

Reviews

Good eBook and helpful one. It really is written in straightforward words and phrases and never confusing. I am just effortlessly could possibly get a enjoyment of looking at a published book.

-- Romaine Rippin

The book is great and fantastic. it absolutely was written very properly and beneficial. It is extremely difficult to leave it before concluding, once you begin to read the book.
