Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dec. 8-Lyndon LaRouche addressed associates in these terms on Tuesday, Dec 1. There are two general subjects which are related ultimately, but which are distinctive; and I m going to start with the first one on the subject of Filippo Brunelleschi (1377-1446). Now, what is not understood generally, is what Brunelleschi really was, and the depth of his work, and the importance of his work for all features of science; it was way beyond anything otherwise. Others in the same area of work were different; but he was very special in this respect, and on physical science, exceptional-absolutely exceptional. His breadth of understanding was great. When you bring this into play, then you have to go back to Charlemagne, because you have to realize that there was a crisis which, after a great achievement by Charlemagne (742-814), -he had a short life, actually, and the span of his achievement was that his own relatively short life. He had headquarters which travelled around the whole area of France and Germany; and this process was key to Brunelleschi, because he was responding...
