Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s 1960, and a seventeen year-old girl is alone in London. While working as a dancer in a club, she meets a jaded society doctor who introduces her to rich and powerful men. But Christine Keeler is much more than just another empty-headed beauty. Privy to secrets that threaten the heart of government, she is hunted down and forced to tell the truth as she sees it. Wicked Baby is a novella based on the events of the Profumo Affair, a tale of innocence corrupted that dares to imagine the complex desires and motives behind a very English scandal. Tara has the ability to creep under the skin of her subject matter without making judgments . her bravery and her natural-born writer s empathy rewarded her with a novella that must be the most unique work of faction that I have read this year. - Binnacle Press The simple factual tone blends the efficiency of journalism with the immediacy of fairytale . the sweep across all the major figures convincingly portrays the atmosphere of the dawning of the Sixties. - Alwyn W. Turner, author of Halfway to Paradise and The Biba Experience This is as fine an introduction to the Profumo Affair as you are ever likely to meet. - Tregolwyn Book Reviews.
