This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, Inside Enemy, Alan Judd, From the author of Legacy, now a major BBC Film, comes a brilliant new novel for fans of le Carre, Graham Greene and Charles Cumming. Charles Thoroughgood is now the recently-appointed chief of a reconstituted MI6, tasked with halting the increasingly disruptive cyber attacks on Britain, which are threatening government itself and all the normal transactions of daily life - not to mention a missing nuclear missile-carrying submarine. The murder of one of Thoroughgood's former agents and the escape from prison of a former colleague turned traitor, whom Charles helped convict, brings danger on all sides. Thoroughgood ploughs a lonely furrow in Whitehall in his belief that all these elements are connected, a theory which dramatically gains credibility when his wife, Sarah, disappears.
