Brand New Book ***** Print on Demand *****.Excerpt from Notes on the History of the Church: One-Holy-Catholic-Apostolic This little book was written many years ago by one to whom the Church was as a dear and lovely mother, and who, although not called to minister at her altars, proved himself her most devoted son in every act of his stainless, self-forgetting, generous life. Her services were his delight; her chants the only music upon his lips; her litanies the inspired prayers of his own heart; her precepts his abiding law; her feasts and fasts the anniversaries of his year. The worlds history was her history to him; and it was the better to instruct his class of young men at Trinity that he compiled these notes, after wide and careful reading, and with no thought of their ever meeting any eyes except his own.
