General Publishing Co Ltd ,Canada, Canada, 1993. Paperback. Book Condition: New. 178 x 107 mm. Language: English . Brand New Book. Christmas is over, and ten-year-old Jodie has just made a big move: from the big, Bustling city of Vancouver, to a rustic cattle ranch in Alberta, run by her grandparents. It isn't as if living in Vancouver has left her totally unaware of nature and the animal life. After all, she did take horse riding lessons back home. But living on the ranch opens Jodie's eyes to a wonderful new world. First, her grandfather buys her a horse of her own. Then Miss Dog, a stray that wanders onto their property, becomes an invaluable friend. And that's not to mention some exciting adventures with an owl that needs nursing back to health--and a bear that comes a little too close for comfort!

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
