Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, after the way I believe.

St Martin s Press, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From Andre Aciman, the author of *Call Me by Your Name* (now a major motion picture) comes a sensory masterclass, absorbing, intelligent, unforgettable (*Times Literary Supplement*). *Enigma Variations* charts the life of a man named Paul, whose loves remain as consuming and as covetous throughout his adulthood as they were in his adolescence. Whether the setting is southern Italy, where as a boy he has a crush on his parents cabinetmaker, or a snowbound campus in New England, where his enduring passion for a girl he ll meet again and again over the years is punctuated by anonymous encounters with men--whether he s on a tennis court in Central Park or on a New York sidewalk in early spring. Paul s attachments are ungraspable, transient, and forever underwritten by raw desire. Ahead of every step Paul takes, his hopes, denials, fears, and regrets are always ready to lay their traps. Yet the dream of love lingers. We may not always know what we want. We may remain enigmas to ourselves and to others. But sooner or later, we discover who we ve always known we were.
