

Hobbes (Classic Reprint) (Paperback)

By George Croom Robertson

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Hobbes Small as this volume is, untoward circumstances have prevented its completion till long after the first third of it was already in print. The delay is only too likely to have affected the unity of treatment; still, the original design has been adhered to in the main. That design was, even within such narrow compass, (1) to bring together all the previously known or now discoverable facts of Hobbes s life; and (2) to give some kind of fairly balanced representation of the whole range of his thought, instead of dwelling only upon those humanistic portions of it by which he has commonly been judged. Readers will not proceed far before they apprehend the reason why the account of the System has here been imbedded in the Life, - in departure from the usual order of exposition in books of the kind.
