

Reformed Sacramentality (Paperback)

By Graham Hughes

Liturgical Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In Reformed Sacramentality, the late Graham Hughes discusses the role of physicality in worship. He contends that to counter the Reformed tradition's vulnerability to a cultural colonization by secular modernity, Reformed theology needs to amplify its appreciation for God's omnipresence in creation with a re-appropriation of the condensed symbols of faith. Hughes's argument builds on a historical analysis of the Reformed tradition's rejection of material sacramentality and its ecclesial and cultural consequences. From a late modern vantage point, Hughes advocates for a rediscovery of material sacramentality both as a lever against modern solipsism and as an iconic reminder of God's radical otherness.

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- Felicia Nikolaus

These sorts of ebook is the ideal book offered. It can be written in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
