Excerpt from Jesus Is Coming to That, Great Meeting in the Air That our world is approaching a momentous crisis is believed by thoughtful men in all conditions of life. Intelligent and great divine, spiritual minds can not escape this conviction. There may be difference of opinion as to how near the crisis may be, also as to just how it will be ushered in and as to many of its final consequences, but many or nearly all are agreed that events of unprecedented importance are impending and the social order existing now is likely to be revolutionized. The prophets of God in all ages have foreseen and foretold the dawn of the Golden Age and the ultimate establishment of the Kingdom of God in visible glory upon the earth, the universal triumphant righteousness in this world and as a result of the spiritual transformation poor humanity will be delivered from the bondage of corruption into a glorious liberty of the children of God.
