The Great Debate: Edmund Burke, Thomas Paine, and the Birth of Right and Left (Hardback)

By Yuval Levin

INGRAM PUBLISHER SERVICES US, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. For more than two centuries, our political life has been divided between a party of progress and a party of conservation. In *The Great Debate*, Yuval Levin explores the origins of the left/right divide by examining the views of the men who best represented each side of that debate at its outset: Edmund Burke and Thomas Paine. In a ground-breaking exploration of the roots of our political order, Levin shows that American partisanship originated in the debates over the French Revolution, fueled by the fiery rhetoric of these ideological titans. Levin masterfully shows how Burke's and Paine's differing views, a reforming conservatism and a restoring progressivism, continue to shape our current political discourse, on issues ranging from abortion to welfare, education, economics, and beyond. Essential reading for anyone seeking to understand Washington's often acrimonious rifts, *The Great Debate* offers a profound examination of what conservatism, liberalism, and the debate between them truly amount to.

Reviews

This composed book is excellent. This really is for all who state that there had not been a worth reading through. Your life period will probably be change as soon as you total looking over this ebook.
