Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

THE SHOWDOWN VOLUME I (PAPERBACK)

Broken Icon Comics, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Mythical, hot-rodding creatures race in the nine layers of Dante s Inferno to raise hell on earth once again. Most are unaware that monsters such as Vampires, Werewolves, and Zombies once roamed the face of the earth but were banished to hell for their unspeakable acts on humanity. Now in the depths of Dante s vision of hell, Satan holds a race once a millennium, a race unknown to man called The Showdown. Frankenstein greasers, Stitch and Merc, members of a car club called The 500 s, are challenged by other hot-rodding ghouls from all walks of existence, such as The Hell Howlers, rockabilly werewolves with muscle cars, and The Bone Crusaders, a skeleton crew of motorcycle bandits, in this death-match exhibition of fantastic horror and campy grindhouse. Who will win this fuel burning, hot-rod race and get a chance to raise hell on earth once again?.
