Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Me Too Movement of 2017 is perfectly timed with the telling of my story. This book is about a difficult subject, incest, still a hard word for me to say. It is about childhood trauma and the affect it has on its victims throughout their lifetime. It is about how I became aware of being the victim of this hideous crime so often put upon children. There is no sexually explicit information in this book. It is about revelation, association, denial, acceptance, forgiveness of the perpetrator, forgiveness of myself, and self-love. Though this book was written over a six month period, it took many, many years to come to where I am today, a state of loving myself as the beautiful person I was created to be.
