

## Wildlife Ecology, Conservation, and Management (Hardback)

By John M. Fryxell, Anthony R. E. Sinclair, Graeme Caughley

John Wiley Sons Inc, United States, 2014. Hardback. Book Condition: New. 3rd Revised edition. 248 x 192 mm. Language: English . Brand New Book. To understand modern principles of sustainable management and the conservation of wildlife species requires intimate knowledge about demography, animal behavior, and ecosystem dynamics. With emphasis on practical application and quantitative skill development, this book weaves together these disparate elements in a single coherent textbook for senior undergraduate and graduate students. It reviews analytical techniques, explaining the mathematical and statistical principles behind them, and shows how these can be used to formulate realistic objectives within an ecological framework. This third edition is comprehensive and up-to-date, and includes: \* Brand new chapters that disseminate rapidly developing topics in the field: habitat use and selection; habitat fragmentation, movement, and corridors; population viability. analysis, the consequences of climate change; and evolutionary responses to disturbance \* A thorough updating of all chapters to present important areas of wildlife research and management with recent developments and examples. \* A new online study aid a wide variety of downloadable computer programs in the freeware packages R and Mathcad, available through a companion website. Worked examples enable readers to practice calculations explained in the...
