Brand New Book ***** Print on Demand *****.Early Childhood Curriculum 5 Early Childhood Curriculum The Early Childhood Curriculum book consists of sequential developmental skills and activities. Each age group (0-6 months) and (6-12 months) contains a theme with different activities for the infant, and the units follow these themes. This curriculum is arranged and organized to ensure that cognitive, physical, emotional, language and social areas are addressed. Activities are developmentally appropriate, so that the children can receive the best possible stimulation. This book contains lessons, ideas, and activities that any person would be able to use. People, including parents, presenters, school administrators, graduate students, staff members in childcare laboratories, and early childhood teachers, are all individuals that could benefit from using this curriculum. This curriculum contains units and ideas that are simple and easy to understand, so that readers, parents and teachers, can use it on a daily basis, both in the classroom and at home. It is functional and pleasing to the eye, and it covers quality, not just quantity. This curriculum is also unique because it is user friendly. The simplicity is convenient...
