BEYOND PYRAMID POWER - THE SCIENCE OF THE COSMOS II (PAPERBACK)**DOWNLOAD PDF**

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.4 years after his groundbreaking bestseller, Pyramid Power was published, Dr. G. Patrick Flanagan wrote this follow-up volume, about which he comments: Since I wrote my two previous publications on pyramid energy in 1971 (The Pyramid and its Relationship to Biocosmic Energy and Pyramid Power) I have had over four years of additional experience with these unusual energy fields. The results of this research have never been made public. I will reveal for the first time, the results of these discoveries, and details of the construction of the Pyramid Energy Plates. Most of these discoveries were made in a six month period following my trip to the Great Pyramid of Giza in September, 1974. On that trip, I culminated years of research into unusual energies by spending the night in the King s Chamber of the Pyramid of Cheops. Full details of that exciting night will be given in a forthcoming book. I can reveal that I made contact with a powerful force that has changed my life in drastic ways. Some of my latest findings may tend to contradict a few of my earlier statements on the subject. This is the result of an increased understanding of the mechanics of these energy fields. I have succeeded, since returning from Egypt, in harnessing these elusive energies in practical ways. Energy fields have been produced and transmitted over long distances and detected at a remote receiver. In other words, a new communications technology has been discovered. Pyramid energy has been taken from the realm of the mystical toy, and projected into the infancy of a new technology that could literally change the living condition of man on this planet. I call these new...
