Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Key Porter Books, 1997. Soft cover. Book Condition: New. Book Description: Do Canadians have too much money tied up in residential real estate? Is this dangerous? Garth Turner thinks so-and in The Strategy, he will tell you why. But, he also tells us not to despair-that there is a way to turn non-performing home equity into a dynamic and growing retirement fund. It is a strategy millions of middle-class Canadian investors must discover and employ if they are going to avoid a retirement crisis that will envelop the country after the year 2011. From the Publisher With Garth Turner, you can learn how to maximize the potential of the real estate you already have-and plan for future prosperity. About the Author Canada's most popular speaker, Garth Turner, a former Minister of National Revenue, educates audiences from coast to coast, helping them plan for their financial future. He is currently the on-air Financial Editor for CTV, and a nationally syndicated columnist. His columns are also featured in Today's Seniors, Real Estate News, and he is Contributing Editor of Southam Newspapers' Your Money.
