Total-E-Bound Publishing. Paperback. Condition: New. 292 pages. Dimensions: 8.0in. x 5.2in. x 0.9in. Damaged by the lies of those who should have protected him, Shayne must find the courage to surrender to the love of his mates. Bred by his mother, the Goddess of Night, to be a weapon against the pantheon of Gods, Shayne is more powerful than any of his kind. He is a broken outcast after being forced at the tender age of twelve to destroy his mother and one of his mates, the God of Chaos. Now, at age nineteen, the only person who can hold him together is his other mate, Collen. But Collen struggles with his own yearning to Master the troubled youth. Chaos, brought back from the edge of oblivion by his brother, the God of Justice, wants nothing more than to reunite with his mates. A single act from his past, however, has all but made that impossible. Half-Gods that he gifted with magic millennia ago have discovered Shayne's power and will stop at nothing to use Shayne in their bid to take revenge on the pantheon of Gods who would have killed them out of fear. Now, in order to keep Shayne alive, Chaos must earn the trust of his mates and battle the very sorcerers he enabled. Will he succeed and show Shayne the true meaning of submission, or will his past rise up to destroy his only chance at love and forgiveness? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
