Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Some General Aspects of Family Desertion, Vol. 6 In taking a survey of the treatment of family desertion, it will be found that some of its evils can be obviated or at least lessened by the following measures: (1) A federal marriage and divorce statute with concurrent uniform legislation by the states; (2) the prevention of hasty and ill-considered marriages; (3) proper ethical and hygienic instruction, both in school and home, as to marital and parental duties; (4) the creation of desertion bureaus, preferably municipal, in charge of desertion experts; (5) a rational and vigorous enforcement of the law on the part of district attorneys and public authorities; (6) the creation of family courts with full jurisdiction in all family matters and with properly organized social service and probation departments, working in conjunction with psychiatric clinics.
