SIX SHORT STORIES FOR EXISTENTIAL ATHEISTS

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There are very few, if any short stories written specifically for existential atheists. This is a shame because when you don't believe in God, and see no ultimate meaning in life and the universe, sometimes you need a bit of entertainment! I hope these six short stories might fill the gap. Here, the themes of dread, absurdity, delusions and illusions, the certainty of death in a meaningless universe are explored in entertaining and thought-provoking fiction.
