Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating throgh reading time. Your life span will be enhance when you complete looking at this publication.
(Laurence Littel)

SAMSON: VERSE BY VERSE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. One of the most famous men who ever lived was Samson. What boy ever grew up not wanting what he had: women and muscles? Yet, the account of Samson is not a jolly, happy, feel-good story. A study of his life is filled with incredible lessons and applications to our own lives, but the man was truly a dichotomy, an enigma, an unsolvable puzzle. Appointed and called before birth, Samson was Anointed by the Spirit with super-human strength, and yet, for all obvious appearances, he was a carnal sex-hound with hardly a consideration of God in his life. I've studied him and written this book, but I continue to scratch my head and ask the question: Will someone please explain this man to me? How could someone have so much given to him by God, yet treat it all so carelessly? But alas, isn't the same true for many people today? We were all created to love and obey and glorify God, yet how few seem to take that responsibility seriously! In this fun, easy to read, verse-by-verse exposition of Samson we'll read his story and learn many fascinating things along the way. Kick back, grab a cup of coffee, and let's begin! I hope you will find this book to be not only a fun and easy read, but rich, delightful, and powerful in deepening your own personal walk with God.
