Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE HOPE OF FLOATING HAS CARRIED US THIS FAR (PAPERBACK)**DOWNLOAD**

Coffee House Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. When love, lust, and longing, have all but killed you, and Newtonian physics has become too painfully restrictive, is it possible to find freedom in another dimension? Have you lost the will to live, or the will to live as human? Castaways in unmapped terrain, the characters in *The Hope of Floating Has Carried Us This Far* burrow underground in tunnels made by ancient nautiluses. They lay eggs by the seashore, and greet the sailors who come to carry those eggs away. And each by each, they choose to live but to surrender their human forms. From within their peculiar neither-here-nor-there-doms, they learn to live in unbounded states, with edges that can no longer be marked, and meanings that can no longer be defined. Quintan Ana Wikswo is a writer and visual artist recognized for adventurous works that integrate her fiction, poetry, memoir, and essay with her photographs, performances, and films. Her works are published, performed, and exhibited throughout the world, including anthologies, artist books, magazines such as *Tin House*, *Guernica*, *Conjunctions*, the *Kenyon Review*, and *Gulf Coast*, and in multiple solo museum exhibitions in New York City and Berlin. A human rights worker for two decades, she now uses salvaged government typewriters and cameras to navigate known, unknown, and occluded worlds, especially obscured sites where crimes against humanity have taken place. She lives in Brooklyn.
