

Curiosity Killed the Spat: The Melfox Method for Relationship Health Through Effective Conflict Resolution

By Joseph Jay Mellon

Grumpy Gills Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In a time when at least 50 percent of marriages end in divorce, the grim reality of failed and failing relationships can feel inevitable. After all, what hope is there for love when a vow to stay together forever seems to mean so little? Conflicts and resentment are tearing apart more couples than ever-or, worse yet, keeping them unhappily trapped together for the sake of the kids, finances, or personal beliefs. Desperate wives, husbands, and significant others turn to relationship self-help books to try and salvage their partnerships, but these books largely focus on dealing with the fights and hurt feelings that arise, rather than getting to the true root of the matter. This results in simply masking the symptoms of an unhealthy relationship, rather than healing the wounds from the inside out. Through Curiosity Killed the Spat, Joe Mellon hopes to change all that. Rather than being a simple relationship advice book, this is a full-fledged relationship education and restoration manual. The bold, straightforward style is ideal for anyone who is currently in a failing...

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
