BULLYING: THE SOLUTION THAT WORKS FOR PARENTS AND TEACHERS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What is one of the biggest challenges kids face today? BULLYING, and this new bestseller provides the solution! Everyone deserves to live in an environment that is free of fear and menace. In the new Bestseller, *Bullying: The Solution That Works for Parents and Teachers*, Jill Kelly provides the formula to empower the significant adults in young people s lives to assist them in coming through a bad experience, or not having bad experiences at all. Bullying is consistently one of the biggest conversation topics of the 21st century. However, the conversation has barely shifted. Schools are employing thousands of strategies and, yet, the problem exists more loudly and more strongly than ever. It is possible to promote the strength in young people to stand up for themselves and others, to break free from a bystander mentality and become upstanders. The reader will gain an understanding of bullying and achievable changes that we can apply to attitudes and behavior. Only when we encourage people to take genuine responsibility for their thoughts, feelings and actions can we live in a healthy, safe environment.
