With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a yes woman who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: Why are men so romantic in the beginning and why do they change? Why do men take nice girls for granted? Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, she says she thinks tables, and the author's unique Attraction Principles, *Why Men Love Bitches* gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level.
