Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a collection of amusing stories, essays, bloggings, and thoughts from Kevin s life. Many magazines, e-zines, and newsletters have published his stories. His humor and style of writing sets him apart from the norm. Some publications have honored him with awards, as well. Kevin has the ability to take common everyday events and find the humor in them - things that most of us can relate to, which is why they are so popular. Many authors seem to try too hard, but Kevin has a sense of what is funny. Readers can tell he is having fun telling the story yet knows when to stop and not take things too far. Kevin s pastoral side comes out in the last chapter and has become a signature part of his books. This actually completes the concept of Kevin being humorous, sometimes odd, but certainly helpful.
