*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook i have read during my very own daily life and could be he best eBook for possibly.*

Crimson Books, 2018. Paperback. Condition: New. Language: English . Brand New Book. A cowboy sheriff and a by-the-book FBI agent team up to solve a string of murders and arson in this satisfying, slow-burning McIntire County series finale. Returning to Eider, Iowa, wasn't in FBI agent Liza Bartholomew's game plan, but when word reaches her that an elusive scam artist she's been tracking for years was spotted there, she heads south. Vengeance for his victims and her career are on the line, and she won't rest until justice is served. However, Eider's sheriff makes for one big roadblock. Between the fallout over his recent close re-election, two gruesome homicides, a rash of arsons, and personal grief weighing on his soul, the last thing Shane Hamilton has time for is a determined FBI agent in his county. But when it becomes evident that the crime wave and her case are intertwined, Shane makes a bold move that flies in the face of his longstanding vow: He gets close to Liza to share professional and personal secrets. As the body count mounts, Liza and Shane find themselves and everyone they love in the immediate crosshairs. What will they sacrifice to stop the cold-blooded killer in time? Sensuality Level: Behind Closed Doors.
