One day I was heading to my best mate s place for some quality time with his brand new Play Station. I was quite excited and more than eager to reach to his place but unfortunately, I was living a bit far from his neighborhood and I had to change to metro lines in order to get there, but hey, I was a young lad with no job, free as a bird and with all the time in the world.Both me and my mate, David, were single and that was probably the main thing that was keeping us close to one another and always together doing crazy thing, like, clubbing, drinking and many other stuff.I was single because I choose that way and so was David, both of us craving for some more years to party and have fun before settling to our families. Anyway, I head on to David s house with a huge urge to play games until exhaustion but once I arrived to his place, a hot ass woman answered the door. It was his mom and David was not home. I asked the hot lady: - Good day mom, is David home? - No.
