

Understanding the Secret Language of Money Why most Americans are unaware of the ways successful people think, communicate, and behave when it comes to finance and money related decisions

By John E Moriarty

John E Moriarty. Paperback. Condition: New. 124 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. When I started creating the content for this book, my intention was to touch, move, impact, or agitate you, the reader, enough to change your perspective on finance and money related decisions. Some parts of this book may make you feel uneasy. If so, I encourage you to keep reading because you could be nearing a breakthrough. It's very possible to experience several different emotions as you digest the material in this book: curiosity, fear, anger, excitement, or even relief. This process needs to occur so that you can uncover your limiting beliefs. Once you realize what is standing between you and financial security then you can identify the resources and services that can add value to your financial life. My passion in business is to awaken the inner entrepreneur in all of us. The entrepreneurial mindset is present when individuals, families, and small business owners do the following: Educate themselves on financial topics that protect their personal economies Gain confidence in their minds that financial freedom is attainable for them Take action toward customized, one-sized-fits-one solutions through proactive implementation of cutting-edge strategies Establish trust with a...
