*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

How can I answer a question that I think is ideological, but to which a physical answer is always expected? My self is a stained glass window. Where I was, am, or will be are only scattered pieces of the big disturbed mosaic. Where I am from cannot have an answer I am the daughter of the wind . This work is a mere figment of imagination. An anthology of short stories which represents a sequence of diverse secular problems confronted with mystic lessons of the invisible. In fiction, I see all human beings united regardless of which particular identity - may it be ethnic, religious, political, or other - they restrict themselves to.
