THE HUMANITARIAN COMPANION: A GUIDE FOR INTERNATIONAL AID, DEVELOPMENT AND HUMAN RIGHTS WORKERS (PAPERBACK)

[DOWNLOAD](#)

ITDG Publishing, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. * A back pocket manual for humanitarian workers in the field * An essential training guide for humanitarian and aid agencies * Based on the author s long professional experience Humanitarian workers--working in their own country or overseas--face many common challenges. This book will help them, and those training them, prepare both practically and emotionally for the wide range of challenges, dangers, and insecurities that are an everyday part of their work. Written with both the new humanitarian worker and the experienced veteran in mind, the book deals in turn with the main stages of a humanitarian assignment. It starts with issues to consider before you set out, then deals with safety and security in the field, staying healthy, managing stress, coping with the trauma of others, and dealing with returning home at the end of an assignment. An extensive appendix includes a checklist of what to do and what to take with you, a brief first aid manual, and other practical information and advice. John Ehrenreich has many years experience as a practicing clinical psychologist and has a longstanding interest in issues of response to disasters and complex humanitarian emergencies. Trainers of humanitarian workers will find this book extremely useful in helping their staff prepare themselves thoughtfully and work productively while on mission. This book will be a welcome companion for all humanitarian workers, and an essential tool for those training them.
