Date :2010-1-1. In order to provide some basic reading teacher. the provincial education department organized experts and scholars write a set of teaching materials. a total of four - Modern Education concept . Art class teacher and classroom management. primary mental health education. psychological health education. Hope that teacher training and daily work in the focus of several questions: First. have a modern educational philosophy. Today. the region and between regions. schools and between schools. teachers and teachers both in the gap between the hardware (such as funding. teaching conditions. ability. etc.). but also in software that educational philosophy. Some of the class teacher with a bad class. not entirely his lack of capacity. hard enough. in large part out of his educational philosophy bias. What kind of teacher education. teaching the concept. the quality concept. evaluation concept. talent. development concept. to a large extent will affect the conduct of his administration. which also greatly affected the quality of his band class . The second is to master the art of classroom management and continuous improvement. Class management wisdom. great wisdom. because our work is not for inanimate objects. but a real live people. and physical and mental development of students of different ages have different characteristics. today's students with ten or twenty Ten years ago. compared with students. it presents a lot of new situations. there have been many new educational problems. this needs to teacher thinking hard to master methods to improve skills and techniques. 'Contents: Chapter order to values ??of a people-oriented education. for all. in essence. there are differences for each student two round development of students. it...
